

It all starts with literacy.

Struggling young readers are **falling further behind** due to Covid-19.

Volunteer with TutorMate and help a disadvantaged child catch up with their reading.

4x

Kids who don't read at grade level by the end of third grade are **4x less likely to graduate high school**. The COVID-19 pandemic has only widened this literacy gap. The need for reading support is more critical than ever.

A child who can read is set up for life. Not just because they do better at school and have better job prospects, but because they are happier and more confident.

- 1:1 match with struggling first & second graders for entire academic year
- Background check required
- 30 minutes a week during school hours

- All you need is a phone and internet connection – tutor from anywhere!
- Easy to use TutorMate platform guides you through each session.

- Scheduling is flexible
- Webinar training provided with hand-holding support
- Fun, engaging activities focus on building fluency and comprehension
